

DEVAN BAILEY

IT SUPPORT / HELPDESK PROFESSIONAL

OBJECTIVE

Diligent and reliable IT support professional with 6 years of experience working in high-volume support environments. Strong background in incident logging, first-line troubleshooting, SLA-driven resolution and customer facing support. Google IT Support Professional Certified, seeking an IT Support or Helpdesk role to provide end-user support and technical issue resolution.

EXPERIENCE

COMPLAINTS OFFICER

Capitec Bank | 2022 - 2024

- Resolved 700+ complaints annually while adhering to strict SLA requirements and escalation procedures.
- Investigated 200+ security related cases, including internal fraud, and analyzing logs, user activity and system data to determine root cause.
- Provided evidence-based feedback to the Insurance and Banking Ombudsman, ensuring timely and fair resolution to the client and the Company.
- Maintained accurate case notes and documentation within CRM and ticketing systems.

CLIENT SUPPORT AGENT

Capitec Bank | 2020 – 2022

- Managed 100+ daily inbound inquiries, logging fraud disputes, lost card claims and app-related issues via CRM and ticketing systems.
- Provided first-contact resolution for 90%+ of support queries received, reducing escalations to second-line teams.
- Assisted clients in identifying fraudulent activities and advising on secure banking measures.
- Guided users through application troubleshooting and secure system usage.
